7.0 **VALIDITY OF OFFER**

The offer shall be kept valid for acceptance for a minimum period of **One Twenty (120)** days from the date set for opening of tenders.

D. SUBMISSION OF BIDS

BID SUBMISSION

Through e-tendering system on the website www.uktenders.gov.in only.

DEADLINE FOR SUBMISSION OF BIDS

Bids along with all the required documents must be uploaded in time

Bids submitted through E-mail, facsimile or offline mode will be summarily rejected.

8.0 **MODIFICATION OF BIDS**

No bid may be modified subsequent to the deadline for submission of bids.

9.0 OPENING OF BIDS BY CLIENT

The tenders will be opened by the tender committee on the website www.uktenders.gov.in only, in the presence of Bidders' representatives who choose to attend, at the place, date and time specified in the Section-I: Invitation for Tenders. The Bidders' representatives who are present shall sign a register evidencing their attendance.

10.0 The envelope containing the Bid document Fee Draft and Earnest Money Deposit (Draft/FDR) shall be deposited to KMVN Head Office, Car Parking Campus, Sukhatal, Mallital, Nainital, Uttarakhand before the last date and time of submission of the bids.

E. EVALUATION AND COMPARISON OF BIDS

11.0 PRELIMINARY EXAMINATION

The committee will examine the bids to determine whether they are complete or not.

Prior to the detailed evaluation, the committee will determine the substantial

responsiveness of each bid to the bidding documents. The committee determination of bid's responsiveness is to be based on the contents of the bid itself without recourse to extrinsic evidence.

If a bid is not substantially responsive it will be rejected by the Client and may not subsequently be made responsive by the Bidder by corrections of non-conformity.

Price bid of only those bidders who have qualified in the technical bid shall be opened

12.0 EVALUATION OF THE OFFERS

The tenders received will be evaluated to ascertain the best and lowest acceptable tender in the interest of the Client, as specified in the specifications and tender documents.

13.0 ACCEPTANCE OF TENDER AND SIGNING OF CONTRACT

KMVN will accept a tender for a part or whole of the quantity offered, reject any tender without assigning any reason and may not accept the lowest tender or any tender.

Acceptance of tender will be communicated by E-mail and Postal Letter for formal acceptance of tender. In case where acceptance is indicated by E-mail or Postal Letter, the formal acceptance of tender will be forwarded to the Contractor as soon as possible.

14 EFFECT AND VALIDITY OF OFFER

The submission of any offer connected with these specifications and documents shall constitute an agreement that the Bidder shall have no cause of action or claim, against the Client for rejection of his offer. The Client shall always be at liberty to reject or accept any offer or offers at his sole discretion and any such action will not be called into question and the Bidder shall have no claim in that regard against the Client.

Offers shall be deemed to be under consideration immediately after they are opened and until such time the official intimation of award is made by the Client to the Bidder. While the offers are under consideration, Bidders and/or their representatives or other interested parties are advised to refrain from contacting the Client by any means. If necessary, the Client will obtain clarifications on the offers by requesting for such information from any or all the Bidders, either in writing or through personal contact, as may be considered necessary. Bidders will not be permitted to change the substance of their offers after the offers have been opened.

15 GENERAL

The Bidders must ensure that the conditions laid down for submission of offers detailed in the preceding Para, are completely and correctly fulfilled. Tenders, which are not complete in all respects as stipulated above, may be summarily rejected.

16 CHECK LIST

A check list has been included in Section – V of the bid document. This has been designed to help the Tenderers in submitting their offer in completeness. An incomplete offer is liable to be rejected. The Tenderers must fill this Check List and submit along with their offer in their own interest.

SECTION III CONDITIONS OF CONTRACT
